

## CLARIFICATIONS

In conformity with the proposition and the rules of Justice B.R Sawhney Memorial Moot Court Competition 2011, the following are the clarifications provided for -

1. What is the purpose for the grant of LCRSO Program and giving several benefit? In other words, what purpose does a recognition serve in the instant case?

The LCRSO Program is in place to facilitate students' right to freedom of speech & expression. The LCRSO Program helps students in forming associations about issues they feel strongly about. This in turn promotes learning, propagation of ideas, team-work and overall personality development.

Teams can presume that several RSOs have been recognized under the LCRSO program in Lawland College.

2. What is the purpose for which FBNS is asking for recognition under LCRSO Program?

The information given in the factsheet is enough. FBNS is asking for recognition under LCRSO Program for obvious reasons (funding, logistical reasons). FBNS could have operated outside the aegis of the LCRSO program but it has taken up the issue of its rejection seriously and has mounted a constitutional challenge.
