ADMISSION NOTIFICATION 2013 – 14

NALSAR is an institution of national eminence established by Act 34 of 1998. The University is engaged in teaching and promoting research in law and allied disciplines. NALSAR has become one of the leading institutions in the country. NALSAR has been ranked No. 1 by Outlook in 2012 and by India Today – Nielsen Survey in 2011 and 2008. NALSAR has consistently been ranked amongst the top three Law Universities of India.

Center for Air and Space Law (CASL), NALSAR University of Law, Hyderabad has come up with highly innovative courses in Aviation; Space and Telecommunications; GIS and Remote Sensing Laws. The objectives of these courses are to cater to the needs of unprecedented aviation growth coupled with commercialization of space and telecom industries, which calls for thousands of skilled manpower to meet the managerial requirements of rapidly growing airports, airlines, aerospace and telecommunication sectors. There is an acute shortage of aerospace professionals around the world. The aforesaid courses are a unique value added qualifications which would help the aspirants to acquire global placements in the aero-space and telecom industries. NALSAR's initiative aims at institutionalizing an academic-industry partnership in the domain of Air Transport Management; Aviation; Space and the Telecom Laws; and GIS and Remote Sensing Laws which makes it first of its kind not only in India but in the entire Asia – Pacific region.

Centre for Air and Space Law (CASL), NALSAR University of Law, Hyderabad invites applications for admission to the following courses. These courses can be taken even by working professionals to acquire much needed additional qualifications. These courses would be conducted in the 'On-Site' and 'On-line' mode.

1	Two-Year Master's Degree in Aviation Law and Air Transport Management (MALATM)
2	Two-Year Master's Degree in Space and Telecommunication Laws (MSTL)
3	One-Year Post - Graduate Diploma in Aviation Law and Air Transport Management (PGDALATM)
4	One-Year Post - Graduate Diploma in GIS & Remote Sensing Laws

Eligibility :

- Bachelor's Degree or an equivalent Degree in any discipline from any recognized University with 50% marks; or
- 3-year Diploma in Air Craft Maintenance Engineering along with three year's relevant experience.

Students appearing for the final year examination of Graduation / Engineering are also eligible to apply.

Admission Procedure: Interested candidates are required to submit the filled-in Application Form along with Statement of Purpose (SOP), an attested copy of the Degree / Diploma Certificate and a Demand Draft for Rs. 1,000/- drawn in favour of "Registrar NALSAR-CASL A/C", payable at Hyderabad on or before June 30, 2013. Classes will commence in July, 2013.

Selection Process: The selection would be based on the performance at the Group Discussion and the Interview.

Proposed Centers: Hyderabad, Bangalore, Delhi, Mumbai and Guwahati. Centre will be functional depending on the number of candidates opting for it.

Conduct of the Programme

Master's Degree and PG Diplomas are of 'Blended version (a mix of onsite and on line) sessions spread in Four and Two Semesters respectively. Each Semester will have **Onsite** intense session by the subject experts, followed by **Online** session where participants will work on the case studies/project assignments and upload them on the dedicated web portal. Under the mode of intense e-learning process, the students can have access with subject experts pertaining to various queries on the subject. We would also upload the updated relevant material from time to time. At the end of the final Semester, students are required to submit a Dissertation. **Attendance at the on-site Sessions is compulsory. To be eligible to appear for the examination, the candidates should have a minimum of 75% attendance at onsite sessions.**
